MAKEUP ARTIST WILL APPEAR IN CHAPEL PROGRAM

"PASSING PHASE OF AMERICAN HUMOR", TOPIC OF J. S. GARNES, MARCH 1

Th chapel period Wednesday, March 15, will feature Jessie Rae Taylor, entertainer extraordinary. Miss Taylor, the only woman member of the famous Wig and Grease Paint Club of America is advertised as the most original artist on the platform today.

Miss Taylor is not a "reader" but rather a characterist and an artist in make-up. Her character changes are actually startling. Her voice is a deep contralto and is admirably adapted to the presentation of either male or female characters. The program promises to be quite different and essentially unique.

MacLean Speaks

On Wednesday, March 8, President MacLean gave a short talk to the Chapel group. "There is hope for the future in our present financial and economic condition; there must be a turn for the better," he stated. "This condition is national, not merely local. The present hue and cry is 'Balance the budget'. There is a new frontier which demands that one face the problem squarely."

President MacLean also commented on the fact that the students have responded admirably to the suggestion that the light bill be reduced.

The Chapel Choir with Mrs. Kise, contralto, and Mrs. Preston, violinist, gave the last part of the program. The choir sang "O Morn of Beauty", and "Salvation Is Created." Mrs. Kise sang "Quiet" and "I Can't Cease Loving Thee", and Mrs. Preston played "Sourvenir" and "The Old Refrain."

Garns Addresses Chapel

Speaking on "A Passing Phase of American Humor", John Seaman Garns addressed the Chapel Wednesday, March 1. Mr. Garns was formerly associated with the McPhail School of Music and Oratory and is at present with the School of Psychology and Religious Science in Minneapolis. Last year he presented "Monsieur Beaucaire" in an inimitable manner which won him many friends among the students.

Mr. Garns stated that the humor early in our country was tinged with English influence. He recommended Irving's "History of New York," as excellent reading. Bill Nye and Artemus (Continued from page five)

COLLEGE BOARD OFFERS TO CUT

M. S. T. C. WOULD GET \$238,000 FOR BIENNIIUM; SALARY CUT IS PROPOSED

(From the Fargo Forum)

Prospect that salaries of employees at the Moorhead State Teachers college will be slashed 20 per cent loomed stronger Wednesday as the result of action by the state teachers college board which sent a communication to the senate finance committee offering to cut biennium maintenance requests \$295,000 for the six teachers colleges in the state.

According to an Associated Press dispatch from St. Paul, the proposal is that the Moorhead college is to receive \$238,772 for maintenance purposes for the two year period, as against the original request for \$287,000.

Similar slashes are proposed for the other colleges.

S. H. Somsen, Winona, president of the board, informed the senate it could reduce the total requests of \$1,763,000 for the biennium for maintenance, to \$1,468,000.

As outlined by Mr. Somsen, if the committee adopts the offer of the board members, the original requests and offer of reductions for each of the six colleges for maintenance purposes would be as follows:

College	Original request for two years	Offered Reduction
Winona	\$ 284,000	\$ 236,210
Mankato	290,000	241,326
St. Cloud	410,000	340,674
Moorhead	287,000	238,772
Duluth	284,000	236,210
Bemidji	208,000	174,868
Totals	\$1,763,000	\$1,468,000

"HUNK" ANDERSON TO HEAD FOURTH COACHING SCHOOL

WARD (PIGGY) LAMBERT FROM PURDUE TO BE BASKETBALL COACH

Heartly (Hunk) Anderson, head football coach at Notre Dame University, will head the list of mentors who will dispense their knowledge at Coach Sliv Nemzek's fourth annual coaching school to be held here the week of August 31 to 26. Ward (Piggy) Lambert, Purdue basketball coach, is likely to be the basketball tutor for the session.

Besides these two, it is probable that Chuck Taylor, professional basketball artist will accompany Lambert. Taylor appeared here in a demonstration last January.

Dave Woodward, University of Minnesota trainer, who conducted a course here last year, may also return, to demonstrate his prowess at taking care of injuries, sprains and bruises.

The coaching school, which was instituted in 1930 by Coach Nemzek, has attracted an ever-increasing number of college and high school coaches, because of the high caliber of instructors that have been obtained.

LOCAL BOYS MAKE GOOD IN MOORHEAD ELECTION

George Edwards, graduate of M. S. T. C., was elected constable in the Moorhead city election Tuesday, receiving the largest number of votes of the three candidates.

Four people wrote in the name of John Ingersoll, graduate of 1932, for the office of Mayor.

COLLEGE IS CLASS A

That Moorhead State Teachers College is continued on the accredited list of the American Association of Teachers Colleges with "Class A", the highest rating is the word received this week from the association, following its meeting last week in Minneapolis. This year there were no conditions to be made up, the local institution meeting all requirements in full. Three years ago the College was given the same rating, but with conditions because of the library facilities following the fire. The library has been built up since, however, so that it now meets the high standards of the association.

NEMZEK OBTAINS APPOINTMENT TO STATE POSITION

MEMBER OF FIVE MAN GROUP TO SUPERVISE BOXING IN MINNESOTA

Coach Alex Nemzek left last Tuesday for St. Paul to attend the first meeting of the new Minnesota boxing commission, to which he was recently appointed. Although the new commission does not take office officially until May 1, they are meeting to consider appointment of a secretary, who will be the only salaried member of the group.

Other members of the five-man group who will replace the three-man commission when the new state-wide boxing law goes into effect May 1, are Gil Carmichael, St. Paul; F. T. Whitaker, Winona; J. J. Ahern, St. Paul, and John Mahoney, Duluth.

Notification of the appointment was received by Mr. Nemzek through a long distance telephone call from Governor Olson February 24. The duty of the commission will be, in general, to see that the sport of boxing is conducted on a fair basis throughout the state of Minnesota.

Two Fair Campus Coeds Are Abducted As Gangsters Invade M.S.T.C. Campus

(By Mildred Abel)

Gangland invades M. S. T. C. campus! Two fair coeds are kidnapped when their companions prove to be gangsters accomplices!

A scream! Four masked figures throw blankets over two coeds who have been deserted by their escorts. For a moment the girls are petrified with fear. Then they begin to struggle.

"Say, cant you keep that skirt quiet?" says the first gangster as he steps on the gas.

"Ouch!" yells the second thug, who has lately been seen on the campus with a bandaged hand.

The girls maintain a lively conversation to off-set the glumness of their masked abductors.

Ah, a mask slips. It is quickly replaced, but a coed discovers a clue. "Now that profile looks familiar.

Where have I seen that nose before? That double chin? Where have I seen it?"

At last, the lights of Moorhead! But the blankets are once more forcibly placed over the coed's heads. Seemingly they ride for miles over the smooth city streets. Finally the car stops and the gangsters shove them out.

Bewildered, they look about them. Why there's the College Club and in the distance the lights of Wheeler and Comstock. Quickly they return to tell their experiences to their friends in Comstock.

In the meantime, having received a message from the abductors, their roommates are doing a little worrying. However, the two coeds, being good detectives, utilize their clue and explain the situation. Immediately they plot—revenge!

The telephone wires begin to hum, carrying frantic messages for help in finding the two missing girls. When by four o'clock they had not been seen, according to the revengeful females of the Dorm, the abductors themselves are becoming worried. Persistent visions of the jail are not dispelled until the cold, gray dawning when the missing girls appear at an eight o'clock class, and only then because it is test week.

Geneva Conference. The Minnesota Model League is sponsored by the Carnegie Endowment through the League of Nations Association in Minnesota, and is international in character.

Colleges Accept

The following colleges have definitely decided to send delegations, and it is expected that additional groups will be present: Carleton, Winona S. T. C., Gustavus Adolphus, Hamline, Macalester, Augsburg, North Dakota State, Mayville S. T. C., St. Olaf, and St. Cloud S. T. C. Each of the groups will represent a different nation and will act at this assembly just as it determines its respective nation has acted, is acting, and will act in the future. Suggestions have been mailed to the various colleges as to country assignments, but few definite assignments have been made as yet.

Program Announced

A definite program has been announced, and is as follows: Friday, April 7, 1:30 p. m. at the Training School Auditorium, a meeting of the Council of the League of Nations to discuss the world economic situation. At 3:30 p. m. at Ingleside, MacLean Hall, an Informal Tea. At 6:30 p. m. in Comstock Hall, a dinner. At 7:45 p. m. in the gymnasium of the Physical Education building, an address, by Mr. Eichelberger. At 8:30 p. m. in the gymnasium a formal meeting of the Model League to discuss the Manchurian situation and the Bolivia-Paraguay Affair.

Saturday, April 8, at 9:00 a. m., Ingleside, a business meeting. At 9:30 a. m. in the gymnasium, a Disarmament Conference. At 12:00 noon, a luncheon.

This year the three main topics to be discussed are: 1. World Economic Situation, 2. Manchurian Situation, and 3. Disarmament Conference. As in previous years, it is the hope of the sponsors of the assembly that through the medium of student efforts, a better outlook on the present world crisis may be reached.

The executive committee in charge of arrangements for the two-day session is composed of the following members of the M. S. T. C. International Relations club: Clarence Glasrud, chairman, Gormon Thompson, Kenneth Johnson, James Tye, Mr. Kise, and Mr. Murray.

THE RISING TIDE

Business of today can be compared somewhat with the tides of the sea, though the sea tide is a natural phenomena whereby their ebb and flow can be mathematically anticipated from year to year. The tides of business are man made tides representing the confidence and the fears of man.

Business over a long period of time flows almost as evenly as the tides of the sea, from high to low and back to high tide. In our own country the period of time required for this cycle is about seven years. The World War reached this cycle at the high peak, and continued with inflated prices and wages until 1929, then the tendency to go shoreward occurred.

It is true that there have been many delays, but stimulation of production, bank credits and buying power will increase the wave of prosperity and the national confidence in the soundness of American ideals and institutions.

A NEW DEAL

An announcement of interest and no little degree of importance to the men of the college appeared in the last issue of the MiSTiC. It was a little boxed in story on the back page announcing the beginning of intra-mural basketball. The lack of a sports program, aside from regular physical education, has been a long felt need. Now we are on our way to the remedying of this situation.

The most pleasing feature of an ordinary intra-mural tournament is not the skill shown by the majority of the performers but rather the amazing lack of any ability by many of the performers. Because any one is able to compete in sports, these tournaments provide an opportunity for healthful enjoyment that no amount of organized inter-scholastic athletics can possibly offer to the average student.

Since such an opportunity for recreation and exercise is finally being offered to the men of the college it is only proper that a great number should take advantage of the opportunity. Ability to play is no requirement; only a desire for some "real fun" will admit one. So let's see if we can't get a large turn-out for this first intra-mural tournament in order that this system can be extended to other sports in future years.

From The Editor's Semicircle

The sub-district high school basketball tournament, which was held in the new physical education building last Saturday, initiated another activity in the ever-widening scope of M. S. T. C., and is certain to result in a better understanding between the college and the high schools of this section.

Another feature working toward the same end is the Community Lyceum Service organized this winter. Judging from the numerous demands for talent made by the various communities the service seems to be giving satisfaction.

From our exchanges there appears an item telling about how fees for various student organizations are collected by the registrar as part of the student activity fee. It seems that this is a splendid feature and should be instituted at this college, at least in the collection of class dues.

THE OPEN COLUMN

A GRIEVANCE

Dear Editor—

Of all the sad words of tongue or pen, the saddest are these, it might have been. With all apologies to the forgotten scribbler of those lines, they might be changed to read, of all sad words of tongue or pen, the saddest are these: these books that someone lost for you will cost you three dollars and seventyfive cents!

Why under the sun, and in the name of Jupiter, anyone should like to pick up a perfectly good textbook that belongs to someone else, and keep it, is more than any sane person could see. If we bought our texts, the motive might be pure dishonesty, but with free texts, the only reasons one might assign for such conduct are carelessness with other peoples property, and lack of thoughtfulness of someone's slender purse. When a certain individual in this institution laid a book on a desk in the MiSTiC office, he had little idea that some person would be mean enough to steal that book and fail to return it.

Now that the librarian demands payment, and justly so, who is going to settle for it? Three dollars and seventyfive cents is a lot of cash in anyone's terminology; if the person who "borrowed the book" had returned it, the offense would have been slight, but since he didn't he has no title to any respect.

It would be an excellent idea if everyone in the entire school would check up and return all of the textbooks in his possession, for which he is not responsible, in so doing will save some unfortunate person a great deal of money and at the same time be of mutual benefit to the entire school.

A THOUGHT

"I think that I shall never see A "D" as lovely as a "B" A "B" whose rounded form is pressed Upon the records of the blessed A "D" comes easily—and yet It isn't easy to forget "D's" are made by fools like me But only God can make a "B"! —Taken from N. D. State Spectrum.

Mr. Murray: "Do you know how the dictionary was made?"

L. Kankel: "Yes, Webster had a fight with his wife, and one word led to another."

Even a tombstone will say good things about a man when he is down.

The Journalism class has ceased its "noble experiment" on the MiSTiC. The real staff from now on will strive to undo the damage caused by the energetic, budding journalists.

(N. B.—the MiSTiC staff deeply re-sents the use of the word, "journalists" to describe those amazons who have had charge of the MiSTiC for the past term, is suspicious of the use of the word "energetic", and wishes to state that it had the paper in such fine shape in the fall term that all the combined efforts of the late editors and editoress-es was insufficient to send it off its feet.)

After a recent Tuesday night hop someone overheard Al Cocking say that he was going home to put mustard on his feet. When asked what the idea was, he replied, "Isn't mustard good for hot dogs?"

At last the women of the College are going to openly defy the men and "throw" a big party all by themselves. A lot of surprises are going to take place, and it is sincerely promised that a good time will be had by all. Just imagine the fun when 475 women gi together!

Miss Hayes: "What did Juliet say to Romeo in the balcony?"

Allen Erickson: "Why didn't you get seats in the orchestra?"

COLLEGE HIGH IS VICTOR IN DEBATE WITH MOORHEAD

SENIOR ENGLISH CLUB PLANS EXTEMPORANEOUS SPEAKING CONTEST

The College High School debate team closed a successful season last Friday by defeating the Moorhead High School team thus making their record three victories out of four. Principal B. C. B. Tighe awarded the affirmative a 2-1 decision, stating that this was the best debate he had judged this year.

At the meeting of the Senior English Club on Thursday old and rare books with illustrations were informally discussed. This club plans to sponsor the inter-high school extemporaneous speaking contest.

The members of the sixth grade class gave a debate on Friday. The subject was, "Resolved that England is a more progressive country than France." Those taking the affirmative side were Sigurd Stusiak, Peter Ingburg, Maurice Zeuhlsdorff. Those on the negative were Harriet Halverson, Eunice Harris, Vey Thompson. The judges decision was 2-1 in favor of the negative.

On Friday morning the fourth grade citizenship club gave an Inauguration day program. The third and fourth grade art classes are working on a Colonial unit and are now getting ready to make samplers.

The kindergarten continuing their study of the community are planning to visit the Fairmont creamery soon.

"Kiddie Karousal" Is Name Given To All Women's Party

"Kum to the Koed Kiddie Karousel!" is the slogan for the All-Women's party tonight. The large gym is the place, the time is eight o'clock, the guests are all the women of the college, and the admission price is five cents. Well, that's that.

There will be a variety of entertainment consisting of games, a good program, dancing, and most important of all—refreshments. Everyone is to come dressed as a child, either boy or girl. It is preferred that they come in couples.

The committee of off-campus and dormitory girls chosen some time ago by the women of the College consists of Eleanor Laing, Chairman, Ruth Best, Signe Olson, Dorothy Hoel, Lillian Clausen, May Tangen and Vivian Clausen. With the help of a few girls they are putting this party as the first of a series of functions to be given for the College Women.

No woman is able to miss this party which will start the Spring Term off with a bang! Be there! and you'll never be sorry.

Have you heard the latest kind of dancing? It's called "threesome dancing" and consists of one man dancing with two women. We bet that it was invented by some former student at a teachers college.

Carl: "How are you getting along in Arithmetic?"

Clare: "I'm kind of mixed up. Yesterday the teacher said that two and two is four, and today she said that three and one are four!"

The person who writes "Mildew Drops" certainly has adopted a clever nom de plume, alias, or what-ever-you-call it. He calls himself Citsim which is Mistic spelled backwards.

DRAGONS CLOSE
CAGE SEASON BY
33-34 VICTORY

COP SECOND PLACE IN THE NEW
LEAGUE; WIN HALF OF
SEASON'S TOTAL

With a thrilling 34 to 33 victory over St. Cloud February 25, cinched by Booher's shot in the closing seconds of play the Dragons concluded their basketball season by garnering second place in the first season of play in the Northern Teachers Conference.

The game at St. Cloud was hard fought throughout, with the Dragons, paced by Buzz Robinson, having the edge the majority of the time. Bibs Matson and Wally Erickson played fine games to aid the Dargons garner their fourth Conference victory as compared with two defeats.

Meet Stiff Competition
"Sliv" Nemzek's crew found themselves wading through tougher competition during the past season than he has cared to tackle consistently before, with the Dragons showing up well throughout the entire season. However, it was only during the latter part of the season that they began to function at their highest point of efficiency as a team, scoring their greatest victories during this period.

The first game of the season saw the North Dakota University Sioux come to Moorhead and turn back the hard-fighting Dragons 41 to 34. On Dec. 18 a fast team from the Teachers College at LaCrosse, Wisconsin, engaged the Dragons here and found themselves ahead 39-32 at the end of the tilt.

Against the Aberdeen Wolves the basketballers showed up well to cop a 36-32 victory, the first win of the season. Out-classed by superior team work, the Dragon unit lost its third game 31-25 to the Cobbers.

Defeat Bemidji
After the holidays the Crimson and White dropped a tilt to the Jamestown Jimmies 33 to 31. In their first Conference start a highly rated Bemidji quint fell before the Dragons on the home court by a decisive 42-27 count. In this game Bibs Matson and Buzz Robinson gave first promise of the fine play they were to demonstrate as a pair of forwards throughout the rest of the schedule.

Then Duluth bowed to the Dragons as they stepped out with a 42-29 victory to take the lead in the conference race. Evening up the city series, Nemzek's charges turned back the Cobbers 28-27 in a torrid battle January 25.

Take St. Thomas
A fast rangy unit from Mankato Teachers College disrupted the Dragon defense and emerged with a victory by a 37 to 28 score the following Saturday. Sinking free throws with uncanny accuracy, Concordia's Cobbers turned back the Dragons 34 to 33 in a heart-breaking contest on the M. S. T. C. floor to gain the city championship.

February 11 the Dragons ran into their second Conference defeat when Bemidji turned them back 38 to 35 on the Beaver's court.

With Matson scoring 25 points, the Dragons bowled over Duluth in a return game. In one of the highlights of the season, the St. Thomas Cadets, then leading in the Minnesota State Conference, fell before the Crimson and White five's furious onslaught, 48 to 38, in the final home game.

Conference Chatter

The Standings
(By Ed Eastman)

	Won	Lost	Pct.
Mankato	6	2	.750
MOORHEAD	4	2	.667
Bemidji	5	4	.555
St. Cloud	5	4	.555
Duluth	3	5	.375
Winona	0	6	.000

Among the list of outstanding surprises must be placed the victory of Duluth over Mankato, for which the Duluthians must be duly congratulated.

As a windup to basketball activities for the season, a few not too accurate statistics will be presented—Anyway we'll call them semi-accurate.

The Dragons piled up a total of 495 points in 14 games for an average of 35½ counters a game while their opponents made 470 points for an average of 33½.

St. Cloud had the best offensive record in Conference games with an average score per game of 38 and 1-3 points, while the defense of the pennant-winning Katos held their opponents to 31 points per session.

COLLEGE HIGH IS

BABY DRAGONS SHOW STRENGTH
IN HOLDING OPPONENTS
TO 28-23 SCORE

The Moorhead High School Spuds and the Dilworth Locomotives last week won the right to enter the District 23 tournament of the Minnesota state basketball meet which is to be held at Detroit Lakes on Saturday.

The surprising element of the sub-district tournament held in the College gymnasium was the showing made by Coach Chet Gilpin's Baby Dragons, who gave Moorhead Spuds one of their toughest games this year. The Spuds won from the Baby Dragons, 28 to 23, in a game that saw the lead change hands seven different times. The Baby Dragons started the scoring and led at the quarter 9 to 7, after which the Moorhead cagers brought the count to 13 all at the half. At the end of the third quarter the score was 19 to 15 for the Spuds.

Vincent Oss and Cliff Olson were outstanding for the Baby Dragons five, while Wes Phillips and Wilbur Perske were the high scorers for the Spuds.

In the other final game of the tournament, Dilworth eked out a 17 to 16 win over Hawley, after trailing for the greater part of the game. With the score at 16 to 11 for Hawley, the Locomotives rallied and counted three times from the field in the fourth quarter to clinch the victory.

In the first round of the tournament Hawley trounced Ulen 38 to 9. Moorhead high schools Spuds won over Comstock 47 to 14, while the Baby Dragons defeated a highly praised and fast Hitterdal five by a 29 to 18 score. Dilworth drew a first round bye.

STUDENT TEAMS
MEET IN TOURNEY

INTRAMURAL CONTESTS FEATURED BY CLOSELY FOUGHT, EXCITING GAMES

With the regular varsity basketball season completed, four intramural basketball units swung into action Tuesday afternoon with Willard Anderson's crew trouncing Wayne Stephens' five by a count of 30-12. Herbie Lange and his men engaged in a thrilling overtime battle against a team headed by Dave DuVall, and emerged victorious when Lange counted the winning goal from the field to make the score 24-23.

Four more units played on Wednesday with Nemzek's team winning an overtime match from Swenson's crew, 24-21. The Hockey team players poked and checked their way to a 20-14 victory over Dyer's aggregation.

Last night, teams headed by Willard Anderson and Lange met, as did teams led by Stephens and DuVall. The tournament, which is conducted on a round robin basis, will continue throughout next week.

This afternoon four teams who played Wednesday afternoon will meet, and in case you didn't know it, there's no rule barring the fair fems from witnessing this tourney. In fact, it would be deeply appreciated by many of the handsome heroes who have nice chests they wish to display.

GARNS TALKS ON
AMERICAN HUMOR

(Continued from page one)
Ward are noted for their use of exaggeration.

Interprets Pioneer Humor
"The humor of the pioneers is significant because it developed within the period when idiosyncrasies of character stood out. This is reflected in all of the works of this time. There is a tendency for the past not to understand the present, and the present not to understand the past. This is not alarming; it merely shows us that we are moving."

College Is Represented
In Local Club Program

The College was well represented at the sixth annual reciprocity meeting and tea of the Fargo and Moorhead Music clubs Wednesday. Mrs. H. J. Locke, teacher of piano, together with Eleanor Nesheim, presented two-piano numbers. Mrs. Kise and Mrs. Preston, voice and violin instructors respectively, sang as members of the Moorhead club trio.
